Because He Cares . . .

This year's dedicatee received his Bachelor of Science degree at St. Louis University and his Master of Science at Southern Illinois University. After many years in the business world, he came to Mehlville School District in September of 1966 and taught in the Business Education Department for one year. In 1967 he was named C.O.E. supervisor, a position he holds through the present day. He was the originator of the Employer-Employee Banquet. He has created an espirit de corps in Mehlville's representatives in the business world, as shown by their success in designing and decorating winning Homecoming floats. His concern for the welfare and future of Mehlville students is exemplified by the success of the ever-growing Co-operative Education program. Because he cares, this year's 1973 REFLECTOR is dedicated to Mr. Jack Schwabe.

The Prime of Miss Jean Brodie was produced on Mehlville's stage on November 16, 17, and 18. The play, written by Jay Presson Allen is about Jean Brodie, a school teacher whose claim is, "Give me a girl at an impressionable age and I'll make her mine for life." She molds young minds to her form and is so intensely interesting that the girls admire her above all else. Miss Brodie is outsmarted when one of her "set" grows too wise too soon and Jean Brodie is assasinated.

Articles appearing in Student Prints are contributed by journalism students. The publication of the school paper enables the students to put into practical use the techniques they learn in class and to see their articles in print before the public.

The Coalition Committee for Progress is an organization of senior leaders concerned with the well-being of Mehlville Senior High School. Student Council originated, this group acted as a liason between Mehlville's student body and the Board of Education. Their first meeting resulted in benches for the smoking area, the painting project, fans for the classrooms (next year), parking in the quadrangle, and an annual meeting each year to provide students an opportunity to air their views. Most time and effort went into working for the passage of the 1972 Bond Issue by attending Kaffee Klatches and canvassing the district.

Quill & Scroll is an honorary organization made up of outstanding students and contributors to school publications. The members are nominated by the sponsors of STUDENT PRINTS and REFLECTOR.

New members are not notified until the day of the banquet and initiation ceremony in March. National Honor Society's main projects are 1) a canned good drive to aid needy families in the area and 2) a toy drive to make Christmas merrier for many children.

SCHOLAR QUIZ: *SEATED:* Don Heaton, Debbie Snyder, Bill Kountzman. *STANDING:* Mrs. Gorsuch (sponsor), Steve Pisoni, Steve Lewandowski, Nancy Colwell.

This year's Scholar Quiz team met with unfortunate scheduling that pitted us against the team that went all the way this year in our first meet. The team, as individuals and as a whole, performed well, whereas our opponent relied heavily on their team captain.

Team members are chosen for their memory recall and quickness to react to questions asked. The members and alternates practiced after school to lessen their reaction time in preparation for the meet. The Scholar Quiz met with general apathy this year, whereas, Scholar Quiz should be regarded as another team representing Mehlville in city-wide competition.

This year's captain was Steve Pisoni, and the alternates were Debra Snyder and Bill Kountzman. Our sponsor, Mrs. Gorsuch, was back for her second year.

Memories of . . . Curtains and Spotlights

Drama Club has an open membership to any student interested in the dramatic arts. The purpose of the club is to take this interest and develop it as a group for the betterment of the theatre in our school.

This year we sponsored the play *The Prime of Miss Jean Brodie* and helped with the musical *My Fair Lady*. Drama Club also sponsors the Thespian banquet in the spring.

International Thespian Club — Troupe# 2565 is an honorary organization. To be eligible for membership you must have earned ten points by acting in, working on, or seeing a production. In May we have a banquet where new officers are installed and those who have earned at least ten points are initiated by performing something from the performing arts.

The Mehlville Varsity Lettermans Club is a service organization. Any boy who has received a Varsity letter is eligible to join the club. There is an initiation for all new members which lasts three days. Then there is a dinner for all new members who join the club after initiation.

The Varsity Club this year contributed$110.00 for Herman Davis, a boy who was paralyzed while playing football for a local high school. We also were co-chairman for the Spirit Dance held each year. We sponsored the KXOX All-Stars and the American Showcase, a rock group to raise money for our scholarship fund.

This year we planned on painting the boy's locker room, helping on the 1973 Bond Issue, and working along with the Pep Club.

Memories of . . . Working Together

Pep Club's purpose is to promote spirit among the boy's sports. Most members attend all the games to work with the cheerleaders for the purpose of SPIRIT.

This year we have had a surprise Pep Assembly for the football players along with Fathers Club, Pep Band, Varsity Club, Cheerleaders, and performing groups. Plans were also made for one to be held in honor of the spring sports.

We held the Annual Spirit Dance. The Spirit queen and king were Peggy Lenzen and Ron Thill.

This year Pep Club is holding their annual banquet at Heritage House. The purpose of the Banquet is to announce the new officers and Panther for the next year. Also the club award for members who have done the most for Pep Club.

The main objectives of Key Club are service to the school and community and the development of a more intelligent, aggressive, and servicable citizenry.

This year's Key Club is the largest in recent history. The increase in membership has enabled Key Club to carry its objectives even further than has been possible in the past.

Some of the projects that have benefitted Mehlville are the purchase of trash recepticals, the support of, and work for, the Bond Issue, and the clean-up of litter on the campus.

In Service of the Community, the Key Club has helped collect money for Muscular Dystrophy, the Salvation Army, and the March of Dimes. Key Club donated $150.00 to the Jerry Lewis Telethon for M.D. We helped KETC-TV in their recent drive for membership by answering telephones and buying a membership for the club.

On the social side, Key Club honors the "Girl of the Month," an outstanding girl chosen from those at Mehlville, by treating her to dinner.

Finally, Key Club promotes scholarship by offering scholarships to deserving members of Key Club.

The purpose of G.A.A. is to promote interest in girl's athletics. Many activities were carried out this year; among them were a car wash, bake sale, decorating a homecoming car, the annual banquet, secret pals for *girls,* and attending a Bilikens hockey game.

A.F.S. is an international club which can be compared to a junior United Nations organization. Its purpose is to promote understanding between the future leaders of the world. In keeping with this thought its motto is "walk together, talk together." On a local level the A.F.S. Club is responsible for obtaining foreign exchange students for MHS.

Every year Spanish Club starts out with money making activities so that later in the year we can have money *spending* activities.

Last year we had an International Dinner. We also raised enough money to go to Six Flags and then out to eat. We were then invited to go to a Mexican Fiesta in May.

This year we have already had our International Dinner, which was during our International week. We plan on going to Six Flags and the Mexican Fiesta again this year.

Memories of . . .
Cultural Exchange

The French Club has sold pretzles for the last two years and contributed to the international week. We have been to French plays at the Loretto-Hilton theatre and have supplied the French classes with materials from money left from the year. We have French dinners and took part in the international dinner. We presented the "can-can" for entertainment at the dinner.

German Club is one of the friendliest clubs at Mehlville. You don't have to take German to join, just enjoy German traditions. Meetings are held twice a month, with a sample of German food about once a month. Past activities are relived, while future plans are being planned. Occasionally club members are brought onto the dancing floor to learn a German folk dance or two. For those who are not in the dancing mood, there are many German songs to be sung. The activities this year included the annual German Christmas Banquet, a part in the International dinner, plus ice-skating, a picnic, and plans for summer get-togethers.

Future Vocations and Fellowship . . .

The Home Economics Club has thirty active members. To promote interest the club sponsors various speakers at each monthly meeting. The subjects of their presentations vary from hobbies to careers; all of which are factual, yet interesting.

For our annual service project we sold "smile candles" for the benefit of Muscular Dystrophy. Other activities for pure enjoyment of members included a hayride, Christmas party, and a field trip in April.

The club also renders its service to other school organizations in the preparation and serving of banquets.

F.C.A., *ROW 1:* Mark Westphal, Jim Smith, Bob Dorste, Mike Bridwell, Bill Taylor, Dave Kannewurf, Mark Taylor, Larry Spickard. *ROW 2:* Mr. Zimmermann, R. Fehlbaum, Mike Gorman, Tim Suter, Chris Long (V.P.), Michael Murer (pres.), Tel Stanfield, Greg Mueller, Brian Edwards.

During the past year, the Fellowship of Christian Athletes has had many various activities such as candy sales, selling baseball tickets to help our St. Louis Branch Ricky Chapter, having four members attend the F.C.A. summer conference at Colorado State University, Ft. Collins, Colorado.

In the next year, the Mehlville huddle plans to start a new huddle. It will be at Oakville Senior High School.

The FTA provides two principle needs of those students who feel they may want to become teachers. First, the club meetings are devoted to learning about new teaching methods and techniques, problems in different types of teaching situations, and the teacher as a professional. Secondly, the club offers its members a chance to cadet teach in the elementary schools in the district two afternoons after school each week. The club also attends county-wide FTA functions providing an opportunity to meet with students in other schools.

MATH CLUB: *ROW 1:* Wendy Wyse (president), Susan Stillman (treasurer), Donna Dell, Margie Lively (secretary), Sandy Tschani (vice-president). *ROW 2:* Mr. Will (sponsor), Cheryl Moore, Cindy Sax, Michelle Watz.

Math Club was instituted to better the education of math students. In the past we have had "help sessions" for any students having difficulties. We also are selling candy to raise money for a calculator for the Math Department.

SCIENCE CLUB: Mike Rootz, Joanne Wise, Jane Sienkiewicz, Julie Bailey (treasurer) Bill Kountzman (vice-president), Karen O'Brien (president), Gary Kalin, Andy Oertig, Rick Hulley (secretary), Mrs. Nothdurft (sponsor).

This year the Science Club wasn't very large, in fact it only had 12 members. Even though we weren't very large we carried on all tradition of earlier Science Clubs. This year we dedicated a different science to each month and engaged in activities having to do with that science.

Memories of . . . Integers, Formaldehyde, and Radio Tubes

The function of the Radio Club is to acquaint its members with amateur and commercial radio communications techniques. Members who are not interested in the communications techniques can also benefit from the club through facilities of Industrial Arts assembly projects which are made and sold for the support of the club. The projects are in the areas of woodworking, metalworking, drafting and electronics.

As the name would suggest, the Chess Club's major activity is playing chess. We have, however, branched out into other games such as Risk and Afrika Korp. We have had, and will have several chess tournaments, both within our own club and with other clubs from other schools. For anyone at all interested in this ever-popular pasttime, the M.H.S. Chess Club has a lot to offer.

Memories of . . . Checkmate, "Captain Video", & Self-Expression

The Film Crew of Mehlville has devoted their time and effort to capture school-related activities on film or video-tape.

The video-tape machine is a recent addition to Mehlville's audio-visual department and has greatly benefited the District.

The Athletic Department has the exclusive control of the video tape unit, however, the machine has been a service to other school activities.

The Art Club's basic function is planning and going on field trips pertaining to Art or careers in Art. During the 1972-73 school year, the club visited such places as Craft Alliance, Washington University, the Art Museum, Maritz, Inc., Meramac Community College, and Forest Park Community College. As an activity to help raise funds, club members also sold caramel apples at the Homecoming Game, and a craft workshop was held in which club members brought in and taught a craft to the other members.

Club officers are Lynne Freeland, president; Kathy Maloney, vice-president; Debbie Zumwinkel, secretary; and Johannah Gedville, treasurer.

Watch out for 205 Mehlville High School seniors running to their cars after 4th hour everyday. These seniors aren't skipping classes; they are heading out to their afternoon jobs for which they earn money, receive high school credit, and obtain valuable work experience. One hundred fourteen business firms cooperate with the high school to employ these career minded students.

A storehouse of memories,
a book of "remembers."
Captured in a year and
never to be seen again.
Smiles, tears, frowns, and
laughter;
A diary of faces and words.
Bound with leather and thread
to last a lifetime.
Reach out to the sun . . .
. . . and remember . . .

After having spent one year of your life on one super-spectacular experience and then have to write down all your innermost feelings and most intimate thoughts on an 8 ½ x 11 piece of paper, is a task to be attempted by only the very strong. How do you write about one year of your life that will be bound in a book and distributed to strangers whom you will never see again? All the hours of endless arguing and tears and scrambling and digging and hysterical laughter now seem to fade away leaving only slightly worn, very tired, people. Perhaps what will remain the brightest are the experiences of working with people and trying to understand "why?"

We are in the business of re-creating our memories to be bought and sold. Only you can make them *your* memories, to love and cherish. We hope we've captured only the very brightest and happiest for you . . .

Lynn Jablonski — Belinda McCloud
